

Global Data Consultants

FOR IMMEDIATE RELEASE

Global Data Consultants, LLC achieves Computer Associates International, Inc. Channel Partner Status

Chambersburg, PA – January 25, 2005 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services in the local and surrounding areas since 1995, today announced that they have achieved Channel Partner status with computer software giant Computer Associates International, Inc. (CA). This status allows Global Data to provide excellent pricing and information on the CA suite of utilities, including ArcServe 2000 backup and disaster recovery, the eTrust VPN, Firewall, and Intrusion detection software packages, InoculateIT virus protection, and more.

About the CA Channel Partner Program

The community of CA's Channel partners includes VARs, resellers, consultants, solution providers, independent software vendors (ISVs), original equipment manufacturers (OEMs) and system builders of all sizes who resell, influence or add value to CA software. For more information about CA Partner Programs, please visit <http://www3.ca.com/partners/>.

About Global Data Consultants, LLC

Global Data has been a leading Information Technology service provider since 1995 with technical facilities located in Chambersburg and Harrisburg, PA. With experienced and certified consultants, they provide services in the areas of project management; help desk support; application development; networking and infrastructure; creative design; and business process consulting. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance and retail vertical markets.

Global Data is committed to employing only the best talent in order to deliver the highest quality technical services. As a result, Global Data's highly trained workforce delivers customer service excellence to its client community.
