

# Global Data Consultants

FOR IMMEDIATE RELEASE

## **Global Data Consultants, LLC becomes an approved Microsoft® Certified Partner**

Chambersburg, PA – March 29, 2005 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services in the local and surrounding areas since 1995, today announced that it has earned certified status in the Microsoft® Partner Program, which recognizes Global Data's expertise and impact in the technology marketplace. As a Certified Partner, Global Data has demonstrated expertise with Microsoft® technologies and a proven ability to meet customer needs. Microsoft® Certified Partners receive a rich set of benefits, including access, training and support that give them a competitive advantage in the marketplace.

### **About the Microsoft® Partner Program**

The Microsoft® Partner Program has been designed to recognize your present investment in and contribution to delivering Microsoft-based solutions. It's a program that focuses on your ability to serve your customers and drive their business success, while developing your technology skills related to Microsoft® solutions. The program's flexibility will help you respond even more effectively to your customers' needs. For more information about the Microsoft® Partner Program, please visit <https://partner.microsoft.com>.

### **About Global Data Consultants, LLC**

Global Data, a Microsoft® Certified Partner, has been a leading Information Technology service provider since 1995 with technical facilities located in Chambersburg and Harrisburg, PA. With experienced and certified consultants, they provide services in the areas of project management; help desk support; application development; networking and infrastructure; creative design; and business process consulting. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance and retail vertical markets.

Global Data is committed to employing only the best talent in order to deliver the highest quality technical services. As a result, Global Data's highly trained workforce delivers customer service excellence to its client community.
