

Global Data Consultants

FOR IMMEDIATE RELEASE

Global Data Consultants, LLC achieves Registered Partner Status with Cisco Systems, Inc.

Chambersburg, PA – January 10, 2005 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services in the local and surrounding areas since 1995, today announced that they have achieved registered partner status with Cisco Systems, Inc. (Cisco). As a registered partner, Global Data has access to the tools and training that they need in order to become a Cisco certified or specialized partner.

About the Cisco Registered Partner Program

The Cisco Registered Partner Program is one of the most respected in the industry and offers a wide variety of significant benefits including: Credibility, Differentiation, Enhanced Competency, Consistent Worldwide Rules, Preferential engagement, Training, and Visibility. It is designed to help companies deliver value-added services, focused technical expertise, and higher levels of satisfaction to your customers. For more information about Cisco Partner Programs, please visit <http://www.cisco.com/en/US/partners/index.html>.

About Global Data Consultants, LLC

Global Data has been a leading Information Technology service provider since 1995 with technical facilities located in Chambersburg and Harrisburg, PA. With experienced and certified consultants, they provide services in the areas of project management; help desk support; application development; networking and infrastructure; creative design; and business process consulting. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance and retail vertical markets.

Global Data is committed to employing only the best talent in order to deliver the highest quality technical services. As a result, Global Data's highly trained workforce delivers customer service excellence to its client community.
