

Global Data Consultants

FOR IMMEDIATE RELEASE

Global Data Consultants, LLC Designated Microsoft Small Business Specialist

Chambersburg, PA – April 2006 - Global Data Consultants, LLC, (Global Data) recently qualified as a Microsoft® Small Business Specialist. Microsoft® Partners who qualify as Small Business Specialists have proven competency in an understanding of the small business market, by evaluating and determining the right products and services that are economical, and yet leverage all the power and abilities of large businesses at a fraction of the normal IT costs.

The certification also demonstrates that Global Data has an understanding of installing, configuring and managing small business environments with mission critical applications such as web sites, web hosting, internet connectivity, email, remote/home office/offsite employees, specialized line of business applications, file sharing and document management. All of this functionality gives the small business the ability to focus on their core business while Global Data handles the technology for superior performance in an “on demand” world.

The Microsoft® Partner Program is a program created by Microsoft® that gives companies the freedom to better build their businesses and provide superior service to their clientele.

Global Data Consultants, LLC, a Microsoft® Certified Partner and Microsoft® Small Business Partner, has been a leading Information Technology service provider since 1995 with technical facilities located in Chambersburg and Harrisburg, PA. With experienced and certified consultants, they provide services in the areas of project management; help desk support; application development; networking and infrastructure; creative design; and business process consulting. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance and retail vertical markets.
