

FOR IMMEDIATE RELEASE

Global Data Consultants, LLC Earns Microsoft Gold Certified Partner Status

Microsoft Gold Certification awarded to Global Data Consultants, LLC.

Chambersburg, PA – July 28, 2006. Global Data Consultants, LLC, (Global Data) has been designated as a [Microsoft® Gold Certified Partner](#), for Networking Infrastructure and Data Management solutions. Global Data has demonstrated superior levels of successful implementations, capabilities and certification. Microsoft Gold Certified Partners must meet rigorous requirements for certification and expertise. Global Data reached the status of Gold Certified Partner for Networking Infrastructure and Data Management Solutions by demonstrating increased levels of developer certification, deep real-world experience, and by providing completed customer reference projects that were independently verified by Microsoft.

Global Data has been a leading Information Technology service provider since 1995. Global Data has technical facilities in Chambersburg, PA and Harrisburg, PA which provide services in the areas of project management, help desk, application development, networking and infrastructure, creative design, and business process consulting. These services are provided to companies internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance and retail vertical markets.

Global Data is committed to employing only the best talent in order to deliver the highest quality technical services. As a result, Global Data's highly trained workforce delivers customer service excellence to its client community.
