FOR IMMEDIATE RELEASE

## **Global Data Announces the Opening of a Pearson VUE® Authorized Test Center**

Chambersburg, PA – August 9, 2007 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services, today announced that it has opened a Pearson VUE® Authorized Test Center (PVTC) within its Chambersburg Corporate Offices.

By choosing to become a Pearson VUE Authorized Test Center (PVTC), Global Data can offer full-service training solutions. This will include providing local test candidates with convenient, on-site testing using the world's most advanced, flexible test delivery system.

"We are very excited to be a Pearson VUE Authorized Test Center," said Gregory D. Courtney, President and CEO of Global Data Consultants, LLC. "When we begin to deliver exams, it will mark the onset of our company's expansion to provide a local Pearson VUE® Authorized Test Center for IT certification and professional exams. Not only will we be expanding our offerings, but we'll be joining forces with a test provider that is known for its exceptional service and flexible technology."

## **About Pearson VUE Authorized Test Centers (PVTC)**

A Pearson VUE® Authorized Test Center (PVTC) provides on-site, on-demand testing for IT certification and select professional licensure exams. Pearson VUE delivers over 4 million high-stakes exams a year for clients in the licensure; certification; academic admissions; regulatory; and government testing service markets. It boasts the world's leading test center network, with over 5,000 testing centers, 230 of which are fully owned and operated Pearson Professional Centers. These centers utilize a patent-winning design, which was created specifically for high-stakes testing and offers a carefully controlled, consistent testing environment.
