FOR IMMEDIATE RELEASE

## **Global Data Partners With Anti-Virus and Anti-Spam Expert, Sophos and Becomes a Platinum Partner**

Chambersburg, PA – March 3, 2007 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services, today announced that it has partnered with Sophos, a world leader in anti-virus and anti-spam solutions for businesses, to provide dependable network protection to its customers.

With well over 35 million users already benefiting from its products and first-class 24x7x365 support, Sophos has established a reputation as a trusted provider of industrial strength virus and spam protection. Over the last three years, Sophos has significantly outperformed the anti-virus market as a whole and with the extension of its anti-spam offering, customers will be protected continuously against viruses, spam and other email-borne security threats.

"Global Data and Sophos are committed to providing dependable and cost-effective anti-virus and anti-spam solutions for business users," said Nelson H. Witmer, Director of Networking and Infrastructure at Global Data Consultants, LLC. "We are proud to be a Sophos Platinum Partner."

### **About Sophos**

Sophos is a world-leading developer of anti-virus and anti-spam software. The company protects businesses and organizations - from small enterprises to academic and financial institutions to governments and global corporations - against viruses and spam. Sophos is acclaimed for delivering the highest level of customer satisfaction and protection in the industry. The company's products are sold and supported in more than 150 countries.
