FOR IMMEDIATE RELEASE

Global Data Becomes a HP PartnerONE Business Development Partner and Authorized Commercial Reseller

Chambersburg, PA – June 11, 2007 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services, today announced being accepted as a HP PartnerONE Business Development Partner and HP Authorized Commercial Reseller.

While delivering the announcement, Nelson H. Witmer, Director of Networking and Infrastructure, stated, "Hewlett Packard Company (HP) provides partners like Global Data the right combination of resources and tools to help grow our business while delivering robust technology solutions for our clients. With the program, HP establishes long-term successful partnerships that benefit our clients. In addition to offering them access to HP's own industry-leading solutions, it enables us to provide them access to additional third-party solutions and services available through the relationships formed between its partners."

About PartnerONE

PartnerONE is the HP partnering program for Enterprise and SMB solution providers, catalog/web resellers, local and national VARs, agents (or "Influencer") partners, systems integrators, ISVs and service providers. For more information, please visit <http://www.hp.com/partners/us/partnerone>.

About Hewlett Packard Company (HP)

Hewlett Packard Company (HP), a leading global provider of computing and imaging solutions and services, is focused on making technology and its benefits accessible to all. Information about HP and its products can be found on the World Wide Web at <http://www.hp.com>.

About Global Data Consultants, LLC

Global Data Consultants, LLC, a Microsoft® Gold Certified Partner and Microsoft® Small Business Specialist, has been a leading Information Technology service provider since 1995 with multiple Mid-Atlantic technical facilities. With experienced and certified consultants, they provide services in the areas of application development; networking and infrastructure; web design; desktop support; 24/7/365 international support center; and managed IT. These services are provided to companies both locally and internationally within the manufacturing, distribution, dealership, finance, healthcare, insurance, and retail vertical markets.
