## **Global Data Partners with Linksys, a Division of Cisco Systems, Inc., as a Value Added Reseller (VAR) within the Linksys Partner Connection Program**

Chambersburg, PA – July 12, 2007 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services, today announced that it has partnered with Linksys, a recognized global leader in networking for home, SOHO, and small business, to provide dependable network connectivity solutions for their customers.

Linksys worldwide presence is built on a strong foundation of technological leadership and rapid time-to-market, which is reflected in its extensive selection of award-winning Wireless and Ethernet networking products.

“Linksys provides a complete line of small business networking products that combine high-quality, ease-of-use, and reliability with the expertise and technologies offered by Cisco Systems, Inc.,” said Nelson H. Witmer, Director of Networking and Infrastructure at Global Data Consultants, LLC. “We look forward to a successful long-term relationship as a Linksys Value Added Reseller Partner.”

### **About Linksys, a Division of Cisco Systems, Inc.**

Linksys, a division of Cisco Systems, Inc., is the recognized global leader in VoIP, Wireless and Ethernet networking for home, SOHO (Small Office, Home Office) and small business users. Based in Irvine, California, Linksys specializes in products and solutions that provide effortless and economical sharing of broadband Internet connections, files, printers, digital music, videos, photos and gaming over a wired or wireless network. These reliable, easy-to-use, world-class products are backed with award-winning technical support, setting the standard for excellence in the consumer and small business.
