

# Global Data Consultants

## **Global Data Joins Help Desk Institute (HDI®), the world's largest membership association for help desk, IT service and support professionals and the premier certification body for the industry**

Chambersburg, PA – October 10, 2006 - Global Data Consultants, LLC (Global Data), a leading provider of network and IT related services, today announced it has joined the Help Desk Institute (HDI) as a member.

HDI® is dedicated to helping IT service and support professionals and their organizations maximize the return on their professional development expenditures. To this end, HDI® focuses on establishing best industry practices, developing certification and training programs based on internationally-recognized standards, and providing members with timely access to valuable industry resources and events.

### **About The Help Desk Institute (HDI®)**

Help Desk Institute (HDI®) is the world's largest IT service and support membership association and the industry's premier training and certification body. Guided by an international panel of industry experts, HDI® is the leading resource for help desk/support center emerging trends and best practices. HDI® provides members with a vast repository of resources, networking opportunities and the largest industry event -- the HDI® Annual Conference and Expo. Headquartered in Colorado Springs, Colo., USA, HDI® offers training and certification in multiple languages and countries.
